<b>Description:</b>	<p>Walla Walla University seeks a technologically skilled and customer-service driven librarian to join our Walla Walla University Libraries team. This individual will be a part of our library's reference and instruction team with some departmental liaisons assigned. The successful candidate will be a clear communicator with an attention to detail, passionate about providing strong customer service, and demonstrating expertise in a shared integrated library system (SILS). They will also serve as a tenured professional librarian with faculty status and professional librarian responsibilities.</p> <p>Preference will be given to candidates with experience in Systems / Electronic Resource Management, Scholarly Communication / Institutional Repositories, STEM liaisonship, and Public Services.</p>
<b>Qualifications:</b>	<ul style="list-style-type: none"> <li>• Master's degree in Library/Information Science from an American Library Association accredited program. Required</li> <li>• Preferred minimum of two to five years of university library experience and supervisory experience in a library setting.</li> <li>• Demonstrated knowledge of and ability to adapt to current trends and issues in academic libraries including emerging technologies, information literacy, and library services to support student academic success.</li> <li>• Dedication to professional growth and development, with a commitment to staying current with best practices and innovations in the field.</li> <li>• Attentive to detail with a strong focus on customer service.</li> <li>• Strong communication skills to develop and maintain good working relationships with colleagues, subordinates, and consortia.</li> </ul>
<b>Apply:</b>	<p>Prospective candidates interested in the position are asked to complete an <a href="#">online faculty employment application</a> and attach a cover letter, curriculum vitae, and a statement of teaching philosophy. Consideration of applicants will continue until the position is filled.</p>
