## Academic Information

---

### Admission

Individuals seeking admission to Walla Walla University must apply for admission either online at [wallawalla.edu/apply](http://wallawalla.edu/apply) or on forms supplied by the Marketing and Enrollment Services office. Prospective undergraduate students must meet admission requirements as outlined in the University's Undergraduate Bulletin. Prospective graduate students must meet admission requirements as outlined in the Graduate Bulletin. A "Steps to Enrollment Checklist" for undergraduate and graduate students can be found at [apply.wallawalla.edu/info](http://apply.wallawalla.edu/info).

North Pacific Union Conference K-12 teachers who are not seeking to obtain a degree do not need to apply for admission.

Individuals who are not seeking a degree may apply at the Academic Records Office to take courses for which they have sufficient background. As non-matriculating students, they are not eligible for a degree, although by completing requirements for regular admission they may become degree candidates.

### Registration

Continuing or returning students may register for classes online through myWWU beginning approximately April 17. New students, including Summer Advantage participants, will be given an opportunity to register at academy campuses or by phone (800) 558-2132 after about April 19. Distance learning students may register according to the instructions at [wallawalla.edu/academics/distance-learning](http://wallawalla.edu/academics/distance-learning) (see page 12).

North Pacific Union Conference K-12 teachers who qualify for conference sponsorship may register online at [wallawalla.edu/academics/summer-session/information-for-k-12-educators/](http://wallawalla.edu/academics/summer-session/information-for-k-12-educators/) after about April 20. Conference authorization will be verified before the registration is processed. Early registration is encouraged.

Any students, including K-12 teachers, who have not completed registration in advance, may register at the Academic Records Office during regular office hours on the first day of classes if the course is still open or has not been cancelled. Registration is not official until all procedures have been completed and financial clearance has been arranged.

### Financial Clearance

Online financial clearance is required and may be arranged through a student's myWWU account or through Student Financial Services after June 6 (see page 8). **Students who register for classes but do not obtain financial clearance by 4 p.m. on June 19 will be automatically dropped from their courses.**

## **Rosario Beach Marine Laboratory Registration**

Students planning to enroll at the Rosario Beach Marine Laboratory must apply online at [rosario.wallawalla.edu](http://rosario.wallawalla.edu). Registration for classes will be finalized at Rosario on Monday, June 19, 2017. Financial and housing arrangements must be made prior to arrival. See page 15.

## **Veterans Registration**

Students receiving Veterans educational benefits need to register for a full summer course load. Questions regarding enrollment for summer school should be directed to the veteran's advisor in the Academic Records Office at (509) 527-2811.

## **Late Registration**

Students who register after a class or workshop has begun will be charged a late registration fee of \$75. Students may not register for eight-week classes after the first week of the summer term. Students taking short-term courses must be registered and in attendance the first day of classes.

## **Course Load**

The maximum course load for which an undergraduate student may enroll is 12 credits distributed evenly throughout the eight-week session, unless the associate vice president for Academic Administration approves an overload. A course load of 9-12 credits is considered a full load for undergraduate students for the eight-week session. Course loads for graduate students vary according to the program of study.

## **Withdrawals**

Students withdrawing from any or all courses must submit the appropriate official withdrawal form to the Academic Records Office before the class is 75 percent over. During Summer Session, withdrawal deadlines vary according to the starting date and duration of each class; the table below lists main session withdrawal deadlines, as well as tuition refund deadlines. A complete schedule of withdrawal deadlines for all sessions is available at the Academic Records Office.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made. Refunds, if applicable, will be based on the date these arrangements are completed, not the date course attendance ended.

## Refund and Withdrawal Deadlines

Course Session Dates	100% Tuition Refund Deadline	75% Tuition Refund Deadline	50% Tuition Refund Deadline	Last day to Withdraw from a Class
June 19 - August 11	June 22	June 28	July 11	July 28

## Financial Information

---

### Tuition

Undergraduate tuition for the summer quarter is \$725 per quarter hour; graduate tuition is \$592 per quarter hour. Students applying to the Portland Campus Nursing program should contact the School of Nursing for financial information. All students should plan to pay their tuition at the time of registration. Students, who register for classes but do not obtain financial clearance by 4 p.m. on June 19, the first day of summer session, will be automatically dropped from their courses.

### Fees

Fees are charged as published in the 2016-17 Walla Walla University Financial Bulletin at [wallawalla.edu/academics/bulletins](http://wallawalla.edu/academics/bulletins). Workshops, Study Tours (see page 12), Rosario Beach Marine Laboratory (see page 16) or extended field trips may require payment of special fees.

In addition to any class fees, the following General Fee applies.

Undergraduate	\$75*
Graduate	\$50*

*\*This fee only applies to students who are at least half time (6 credits) during the summer session. It does not apply to NPUC Teachers, study tour, ACA or Rosario students.*

### Tuition – North Pacific Union Conference Teachers

Teachers from within the North Pacific Union Conference of Seventh-day Adventists whose employing conferences confirm that they are under contract for the 2017-18 school year may qualify for a tuition waiver. However, teachers must pay directly when billed for books, supplies, graduation fees, miscellaneous class fees, or room rental charges. Conference sponsorship does not cover classes requiring individualized instruction (aviation, music lessons, etc.).

## Tuition Refunds

A student withdrawing from classes during the summer quarter will receive a refund in accordance with the policy stated in the online Financial Bulletin. A 100 percent refund is given if no more than 10 percent of the class is over, 75 percent, if no more than 20 percent of the class is over, and 50 percent, if no more than 40 percent of the class is over. Refund deadlines vary according to the length and dates of each class; see page 8 for main session refund dates. A complete schedule of refund dates is available at the Academic Records Office.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made. Refunds, if applicable and approved, will be based on the date withdrawal arrangements are completed, not the date course attendance ended.

**Housing** Single students under 22 years of age or whom have not yet earned 135 credit hours are required to live in the residence halls during the Summer Session, unless an exception is approved by the office of Residential Life and Housing ([housing@wallawalla.edu](mailto:housing@wallawalla.edu); (509) 527-2539). To apply for housing go to [wallawalla.edu/residencehalls](http://wallawalla.edu/residencehalls) and click on Apply to live in residence hall.

## Insurance

All Walla Walla University students must have health insurance while they are enrolled at WWU. Students are responsible for obtaining and maintaining their health insurance. If a student's health insurance lapses while they are a student at WWU, they are responsible for obtaining replacement coverage. All students, and in particular our international students, are encouraged to carefully review their health insurance coverage to ensure that they are covered for services in the Walla Walla region. If students require assistance in finding a health insurance plan to meet their needs, please go to [wallawalla.edu/insurance](http://wallawalla.edu/insurance) or contact the Adventist Health University Clinic at (509) 527-2425.

## On-Campus Student Employment

Work opportunities are limited during the summer months and employment is not guaranteed. Students are strongly encouraged to arrange for work prior to arriving on campus. Employment opportunities may be available in grounds, custodial, residence hall housekeeping, plant maintenance, The Express, library, campus offices, and academic departments. Permission to begin working is given only to students who are registered for summer quarter or who have been accepted and preregistered for a minimum of 12 credit hours fall quarter.

All students wishing to work on the Walla Walla University campus are required to present original documents that establish both their identity and eligibility to work documents before they will be authorized to begin work. For more information, contact the Student Employment Office, (509) 527-2357 or (800) 656-2357.

All students who work on campus during the summer are required to sign a Summer Worker Agreement at the Student Employment Office by June 19, 2017. Student employees who rent from the university, either residence hall or university housing, must pay any previous balance owing on their accounts and make arrangements for payment of summer rent by June 19. They may either pay their summer rent in advance or agree to a payroll deduction of at least 75 percent of their wages to cover their rent, cafeteria, and other charges as they occur, and to save for fall quarter expenses. If charges exceed the payroll deduction, students are responsible for paying their account promptly.

when billed. Students with unusual situations may consult a financial counselor about a possible reduction in their payroll deduction.

Student summer employees who do not rent housing from the university are encouraged to voluntarily sign up for a payroll deduction of at least 35 percent to save for fall quarter expenses.

## Financial Aid

Students who need assistance for summer quarter may apply for limited financial aid. Some students may be eligible for a Federal Pell Grant or loans, such as Federal Direct Loans.

Students who wish to be considered for federal grants and loans will want to submit their 2016-17 FAFSA (Free Application for Federal Student Aid) online at [fafsa.ed.gov](http://fafsa.ed.gov) by April 15, 2017. The FAFSA must be received by the federal processor by June 30, 2017. The federal government will not grant exceptions to this deadline. A student cannot be considered for the Federal Pell Grant or the Federal Direct Loan if this deadline is missed.

A completed Financial Aid file contains:

1. Correct ISIR (Institutional Student Information Record). The federal processor generates the ISIR after a FAFSA is submitted. Students who list Walla Walla University (code 003799) on their FAFSA will have their ISIR electronically sent to Walla Walla University by the federal processor. Students who did not list Walla Walla University on their FAFSA will need to add WWU's code (003799) to their FAFSA.
2. Walla Walla University Financial Aid Application (FAA -- either the undergraduate or the graduate depending on acceptance into a program). This application may be submitted online at [sfs.wallawalla.edu/application](http://sfs.wallawalla.edu/application).
3. Proof of high school completion (final transcript or letter of verification).
4. Additional documentation, if needed, for verification purposes.

Only financial aid that has been awarded by registration time may be deducted from the estimated costs. Students eligible for federal financial aid must be registered for classes by June 30. Students who register or add classes after that date cannot receive federal financial aid for those classes.

Students who are on a waiting list or waiting for a letter of acceptance should complete the financial aid applications. Aid is not awarded until students receive their acceptance into Walla Walla University. However, if a student is accepted and moves off the waiting list at the last moment, it is to the student's advantage to have the financial aid application already completed.

## Online and Hybrid Courses
