

Awards Celebration

..... WALLA WALLA UNIVERSITY

2024

A message from the president

Our annual Awards Celebration gives us an opportunity to celebrate the mission of Walla Walla University and especially the core value of excellence in thought.

We honor the people who make great thought possible by contributing scholarships for WWU students. If you are among that blessed group of donors, please accept a hearty, warm "Thank you!" from all of us. Your generosity has made a profound difference in the lives of many.

Together we recognize the achievements of students who earned 596 awards and the contribution of \$886,189 from more than 200 different scholarship funds, all reflected in this program..

Thank you for joining us in this celebration of excellence in thought.

Soli Deo Gloria!

A handwritten signature in black ink, reading "John McKay". The signature is fluid and cursive, with the first name "John" and last name "McKay" clearly legible.

While every effort has been made to present an accurate list, this scholarship program does not constitute an official record of awards and recipients.

Unless otherwise noted, all scholarships are for the 2024-2025 school year.

Students will receive scholarships in quarterly distributions for each quarter they are enrolled at WWU. Scholarships for students who are serving as student missionaries or taskforce, or participating in the Adventist Colleges Abroad program, may be deferred for one year.

For more information about how to establish a scholarship, please contact the Alumni and Advancement Services office at 204 S. College Ave., College Place, WA 99324-1198, or call (509) 527-2631.

Walla Walla University is founded on Christian teachings and values as understood and appreciated by the Seventh-day Adventist Church. Central to these teachings is the belief that every person is created in the image of God as a being of inestimable value and worth, imbued with powers of intelligence, stewardship, and creativity akin to those of the Creator. Walla Walla University, therefore, seeks in its mission to foster the unique gifts of every individual within this Christian community of faith and discovery. Committed to excellence in thought, the university seeks to impart a broad knowledge of the arts, sciences, and professions by careful instruction and open inquiry at both the undergraduate and graduate levels. Recognizing that God is the source of all truth, goodness, and beauty, the university seeks to convey to students a wisdom that translates academic achievement into responsible citizenship, generous service, a deep respect for the beauty in God's creation, and the promise of re-creation through Jesus Christ.
