The image shows a weekly schedule view for the period from Sep 25 to Oct 1, 2016. The schedule is a grid where rows represent hours from 7am to 5pm, and columns represent days from Sunday to Saturday. Each cell in the grid represents a class, with the time, class name, and professor listed. For example, on Monday, there are classes from 8:00-8:50am, 9:00-9:50am, 10:00-10:50am, 11:00-11:50am, 2:00-4:50pm, and 3:00-4:50pm. A callout box with the text "Students must select correct dates of quarter to show weekly schedule" points to the date range at the top of the schedule.
