1. Log-in to myWWU

2. Select "HighPoint"

3.Under Enrollment, select “Shopping Cart”

**Shopping Cart is used for planning future schedules and adding classes to your current schedule. It does not officially register a student for classes.*

***Example:** Shopping Cart is similar to placing an amazon order, the items you want you put in your cart. You may or may not choose to purchase the item. When you decide to purchase the item you finalize your order. Same with HighPoint Shopping cart, you put classes in your cart but you're not unrolled until you complete the process.*

4. To search for classes, click the “**Search**” button.

Your shopping cart is empty.

Use the Shopping Cart to temporarily save classes until it is time to enroll for this term.
