

## PeopleSoft: Degree Audit

### 1. Log-in to myWWU

### 2. Select "PeopleSoft Student Center Classic"

3. Select : Main Menu>Self Service>Degree Progress/Graduation>My Degree Audit

Degree Audit will generate after clicking “My Degree Audit”

## Example of Degree Audit

The screenshot shows a web-based degree audit report from Walla Walla University. The top navigation bar includes links for Search, Plan, Enroll, My Academics (which is the active tab), and Transcripts. The main content area is titled "My Academic Requirements". It displays the following student information:

- Student ID: [redacted]
- Level: Sophomore
- Bulletin Year: 2015-2016
- Majors: BA in Undecided
- Minors: [redacted]
- Academic Advisor: Monty Buell
- Academic Career: Undergraduate

Below this, there are buttons for "WWU GPA", "Transfer GPA", and "Combined GPA". The text "Walla Walla University | Undergraduate" is displayed. A timestamp "This report last generated on 09/06/2016 1:39PM" is shown. At the bottom of the report area, there are buttons for "collapse all", "expand all", "view report as pdf", "expand level 1", and "collapse satisfied". A legend indicates the meaning of the icons: a green circle for "Taken", a yellow diamond for "In Progress", and a blue star for "Planned". The report is organized into several sections:

- IMPORTANT DEGREE AUDIT INFORMATION (RG 584)
- FALL THROUGH AND INSUFFICIENT (RG 633)
- OVERALL UNDERGRADUATE REQUIREMENTS (RG 639)
- BA GENERAL STUDIES (RG 794)

Below the report, there is a "Course History" section with a back arrow icon. The bottom of the page features a footer with links for Search, Plan, Enroll, My Academics, and Transcripts, along with a "go to ..." search bar and a "go" button.
