Academic Information

Admission

Main Campus

Individuals seeking admission to the Walla Walla University Summer Session must give evidence of necessary educational background for success in the courses desired and must apply for admission on forms supplied by the Office of Enrollment or online. New students wishing regular admission as undergraduate students must supply the Office of Enrollment with complete official transcripts from high school showing a date of graduation and cumulative grade point average (or satisfactory GED results). New students must also supply the Office of Enrollment with official transcripts of all previous collegiate/university-level work completed, a \$40 application fee, and character reference if requested. A physical examination, tuberculosis skin test, and proof of immunization will also be required.

Undergraduate students must meet the requirements for admission to the freshman class or advanced standing as outlined in the online University Bulletin. Graduate students must meet admission requirements as outlined in the Graduate School Bulletin. North Pacific Union Conference K-12 teachers should apply through their conference educational superintendent.

Mature individuals who apply through the Office of Enrollment but who are ineligible for regular admission or are not working on a degree may register for any course for which they have sufficient background (non-matriculating). Such students are not eligible for a degree; however, by completing requirements for regular admission they may become degree candidates.

Rosario Beach Marine Laboratory

Students planning to enroll at Rosario should submit a Rosario application and fee. See page 14.

Registration

Continuing/returning students may register for classes beginning April 21, either online through OASIS or in person at the Academic Records Office. New students, including Smart Start participants, will be given an opportunity to register at academy campuses or by phone (800-558-2132) after April 21. Financial clearance is also required and may be arranged at Student Financial Services after June 5 (see page 8). Online students may register according to the instructions at wallawalla.edu/academics/distance-learning-d2l (see page 10).

North Pacific Union Conference K-12 teachers who qualify for conference sponsorship may register online at summer.wallawalla.edu after April 21. Conference authorization will be verified before the registration is processed. Early registration is encouraged.

Any students, including K-12 teachers, who have not completed registration in advance may register during regular office hours on the first day of classes. Registration is not official until all procedures have been completed and financial clearance has been arranged. Students who register for classes but do not obtain financial clearance by the second day of their first summer course session will be automatically dropped from all summer courses (see page 7).

Rosario Beach Marine Laboratory

Registration will be held at Rosario on Tuesday, June 24, at 6:00 p.m. Students should arrive on campus June 24. Financial arrangements must be made prior to arrival at Rosario. See page 14.

Late Registration

Students who register after a class or workshop has begun will be charged a late registration fee of \$75. Students may not register for eight-week classes after the first week of the summer term. Students enrolling for short-term courses must be in attendance the first day of classes.

Course Load

The maximum number of credits for which an undergraduate student may enroll is six credits per four-week session unless an overload is approved by the associate vice president for academic administration. A course load of 9-12 credits is considered a full load for undergraduate students for the eight-week session. Course loads for graduate students vary according to the program of study.

Veterans Registration

Undergraduate students receiving veterans educational benefits need to register for a full course load of 9-12 credits. Questions regarding enrollment for summer school should be directed to the veterans adviser in the Academic Records Office.

Withdrawals

Students withdrawing from any or all courses must submit the appropriate official drop voucher to the Academic Records Office before the class(es) are 75 percent over. During Summer Session, withdrawal deadlines vary according to the starting date and duration of each class; the table below lists main session withdrawal deadlines, as well as refund deadlines. A complete schedule of withdrawal deadlines for all sessions is available at the Academic Records Office or online at summer.wallawalla.edu.

Students who register for classes but do not obtain financial clearance by the financial clearance deadline for their **first** summer course session will be automatically dropped from **all** summer courses (see page 6). The financial clearance deadline is the second day of each course session; see table below for main sessions.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made.

Course Session Dates	Financial Clearance Deadline	100% Refund Deadline	75% Refund Deadline	50% Refund Deadline	Withdrawal Deadline
June 23 - August 29	June 24	June 27	July 7	July 18	August 6
June 23 - August 15	June 24	June 26	July 2	July 14	August 1
June 23 - July 18	June 24	June 24	June 26	July 2	July 11
July 21 - August 15	July 22	July 22	July 24	July 30	August 8

Financial Information

Tuition

Tuition for the summer quarter is \$547 per quarter hour. All students should plan to pay their tuition at the time of registration. Students who register for classes but do not obtain financial clearance by the second day of their **first** summer course session will be automatically dropped from **all** summer courses.

Fees are charged as published in the online 2007-08 Walla Walla University Financial Bulletin at wallawalla.edu/academics/bulletins. Workshops or extended field trips may require payment of special fees. See page 14 for Rosario Beach Marine Laboratory charges. Students applying to the Portland Campus Nursing program should contact the School of Nursing for financial information.

Tuition – North Pacific Union Conference Teachers

Teachers from within the North Pacific Union Conference of Seventh-day Adventists who are sponsored by their respective employing organizations may present verification of sponsorship in lieu of tuition payment. However, **teachers are expected to pay for books and supplies, graduation fees, any miscellaneous class fees, and room rental charges**. Conference sponsorship does not cover classes requiring individualized instruction (aviation, music lessons, etc).

Tuition Refunds

A student withdrawing from classes during the summer quarter will receive a refund in accordance with the policy in the online Financial Bulletin. A 100 percent refund is given if no more than 10 percent of the class is over, 75 percent if no more than 20 percent of the class is over, and 50 percent if no more than 40 percent of the class is over. Refund deadlines vary according to the length and dates of the class; see page 7 for main session refund dates. A complete schedule of refund dates for all sessions is available at the Academic Records Office or online at summer.wallawalla.edu.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made.

Housing

Foreman Hall (women)—\$85 per week double occupancy; \$105 per week single occupancy
Sittner Hall (men)—\$82 per week double occupancy; \$102 per week single occupancy
Hansen Hall (Portland campus)—\$105 per week

Cafeteria

Vegetarian meals are available at the main campus in the Student Association Center (SAC) in Kellogg Hall from 12:00–1:00 weekdays, or as announced. Food items may also be charged at The Express, a university-operated mini-mart. Students should plan approximately \$55-60 per week for food.

Music Fees

Music lessons can be taken for credit or no credit. When lessons are taken for credit, in addition to the regular tuition charge there is a lesson fee of \$240 per quarter for nine half-hour lessons or \$480 per quarter for nine one-hour lessons. When lessons are not taken for credit, the lesson fee is \$276 per quarter for nine half-hour lessons or \$552 per quarter for nine one-hour lessons. Full-time music majors and minors who have taken MUCT 121-123 are not charged the lesson fee. Smart Start students who include music lessons in their 12-hour load are charged the lesson fee unless they are music majors or minors.

Insurance

All registered, tuition-paying graduate and undergraduate students attending the College Place, Montana, Portland, or Rosario campuses, and students in the summer work program, are covered by the Student Accident Insurance policy.

If a student has been enrolled in the mandatory student sickness and additional accident insurance during the regular 2007-08 school year, that coverage is in effect through September 1, 2008. All new undergraduate students will be enrolled in this coverage for the summer at a cost of \$348 unless they submit a waiver form verifying comparable coverage to Campus Health and Wellness at registration time.

Employment (On-campus Student Work Program)

Although Walla Walla University strives to meet each student's needs, work opportunities are limited during the summer months. Students are strongly urged to make arrangements for work **before** arriving on campus because employment is not guaranteed. Permission to begin working is given only to students who are registered for summer quarter or who have been accepted for fall quarter. Employment opportunities are available in housekeeping, plant maintenance, The Express, library, campus offices, and academic departments.

Regulations require that all employees hired present **original** documents that establish both their identity and eligibility to work. All students wishing to work on the Walla Walla University campus will be required to present documents **before** they will be authorized to begin work. For more information, contact the Student Employment Center, (509) 527-2357 or (800) 656-2357.

Walla Walla University offers a **SUMMER BONUS** for students who are employed by Walla Walla University, Varsity Contractors, Inc., or Sodexo Food Service. Students who work a minimum of 460 hours at any of these locations during the summer of 2008 **and** who register for at least 12 hours of classes fall quarter 2008 will receive a refund of all dormitory room rent charged for the summer, excluding single room charges, **or** a refund of university housing rent charged for the summer, not to exceed the cost of living in the dormitory. Students participating in this program will be required to sign a Summer Bonus Agreement that authorizes 40 percent of their earnings to be transferred directly to their student account to cover summer room, cafeteria, tuition, and other charges as they occur. If charges exceed 40 percent of their earnings, students are responsible for paying their account promptly when billed.

Financial Aid

Students who need assistance for summer quarter may apply for financial aid. Some Walla Walla University grant dollars may be available; some students may also be eligible for a Federal Pell Grant. Loans may be available, such as Federal Stafford loans and institutional loans through Walla Walla University.

Students who wish to be considered for federal grants and loans will want to submit their 2007-08 FAFSA (Free Application for Federal Student Aid) online at fafsa.ed.gov by **April 15, 2008**. The FAFSA must be received by the federal processor by June 30, 2008. **The federal government will not grant exceptions to this deadline.** A student cannot be considered for the Federal Pell Grant, SEOG grant, Perkins Loan, Nursing Loan, or Stafford Loan if this deadline is missed.

A completed Financial Aid file contains:

1. Correct SAR (Student Aid Report). The SAR is generated by the federal processor after a FAFSA is submitted. Students who list Walla Walla University (code 003799) on their FAFSA will have their SAR electronically sent to Walla Walla University by the federal processor. Students who did not list Walla Walla University on their FAFSA will need to contact Student Financial Services.
2. Walla Walla University Financial Aid Application (FAA). This application may be submitted online at sfs.wallawalla.edu/application.
3. Proof of high school completion (final transcript or letter of verification).
4. Additional documentation, if needed, for verification purposes.

Only financial aid that has been awarded by registration time may be deducted from the estimated costs. Students eligible for Federal or Washington State financial aid must be **registered for classes by June 30**. Students who register or add classes after that date cannot receive Federal or State financial aid for those classes.

Students who are on a waiting list or waiting for a letter of acceptance should complete the financial aid application. Awarding of financial aid does not constitute acceptance into Walla Walla University. However, if a student moves off the waiting list at the last moment, it is to the student's advantage to have the financial aid application already completed.

Online Education

Students taking online courses must have basic computer competency, including use of e-mail and regular Internet access. Information on minimum computer hardware requirements is available at the "Equipment" link on the distance learning website: wallawalla.edu/academics/distance-learning-d2l.

Tuition for all online courses is \$547 per credit hour. Online courses begin on June 23 and end on August 15 unless otherwise indicated. Enrollment minimums and maximums apply.

Online Registration

Students may register for online courses as indicated below:

- Currently enrolled Walla Walla University students register in the usual way through OASIS and arrange financial clearance by June 24.
- Smart Start students register through the Academic Advisement Office, 800-558-2132 or <betty.duncan@wallawalla.edu> and arrange financial clearance by June 24.
- NPUC K-12 teachers register online for all courses, including online courses, at summer.wallawalla.edu.
- Guest students taking courses for transfer to other institutions (not seeking a degree at Walla Walla University) register by completing a registration form and credit card information online at wallawalla.edu/academics/distance-learning-d2l.

For further information, see the "How to Register" link at wallawalla.edu/academics/distance-learning-d2l.

Financial clearance is required for all students. Students who register for classes but do not obtain financial clearance by the second day of their first summer course session will be automatically dropped from all summer courses (see pages 6-7).

GenEd Online Courses

GenEd Online provides general studies courses in an online format. These courses are identified in the class schedule by the letter G. The regular tuition rate applies to GenEd Online courses. Smart Start students will pay the Smart Start rate for these courses.

Students should consult their advisers to determine which courses will satisfy their needed requirements. While all of the following courses are applicable to general studies requirements, the usual minimums and maximums in each area must also be considered. The following courses are offered:

2008 Smart Start Program

Smart Start is available to any undergraduate student who has never before taken a class at Walla Walla University (except as a high school or academy student). A Smart Start student may take courses online and/or on the College Place campus. A student in this program receives a discounted summer tuition rate. In addition, a full-time Smart Start student who also enrolls for a full load fall quarter will receive a cash rebate of \$500. (The rebate is awarded upon verification of enrollment after the tenth day of fall quarter. The amount of the rebate is prorated for students who completed fewer than 12 summer credits.) Here's what a Smart Start student saves:

Smart Start Tuition Savings

	Per Credit	Full Load (12 credits)
Regular tuition rate	\$547	\$6564
Smart Start tuition rate	\$275	\$3300
Summer tuition savings	\$272	\$3264
Additional savings upon fall enrollment	\$41.67	\$500

Additional Costs

- Deposit (\$25) by June 6
- Dormitory rent (\$82-85 per week; Smart Start students are expected to live in the dormitory if their permanent address is outside the Walla Walla Valley.)
- Meals (approximately \$55-60 per week)
- Textbooks (approximately \$330)
- Health insurance (\$348; waived if proof of other coverage is provided to Campus Health & Wellness)
- Miscellaneous expenses (A few courses have additional fees.)

All tuition is due at registration. Other charges are due when billed. Visa, MasterCard, and Discover are accepted. Some job opportunities are available on campus for students who wish to work (see page 9). A reasonable work load for a summer student taking a full academic load is 8-10 hours per week.

Application Process

Students interested in the Smart Start program should follow the usual application procedure for admission to Walla Walla University and indicate their interest in the summer Smart Start program on the application. (See page 6 for admission information.) After having been accepted to the university, a student may reserve a place in the Smart Start program with a \$25 non-refundable deposit to the Summer Session Office. The reservation and deposit should be mailed or submitted online by June 6, as enrollment is limited. The Summer Session Office will notify the student regarding acceptance into the program.

Smart Start Checklist

In summary, a Smart Start student must:

- ✓ Have earned zero college-level credit at Walla Walla University (except as a full-time academy or high school student).
- ✓ Meet the Walla Walla University admission requirements and be admitted to the university as a regular online or College Place student.
- ✓ Reserve a place in Smart Start with a \$25 non-refundable deposit.
- ✓ Pay the tuition balance at registration, plus other charges when billed.
- ✓ Live in the dormitory while taking courses on the College Place campus, if the student's permanent address is outside the Walla Walla Valley.

Study Tours

The following off-campus courses are available in the summer of 2008. Students interested in tours are encouraged to apply early to the tour director, as enrollments are limited. Financial clearance and registration must be arranged in advance of the tour.

England Study Tour—UK08

Travel dates: June 24–July 15, 2008* Cost: \$4,500 plus airfare
Directors: Dr. Beverly Beem, English Department, and Dr. Gregory Dodds, History Department

*Course dates are June 19–July 25, beginning with online instruction before the tour begins and allowing for completion of coursework afterward. Students will travel to several locations in England and may earn up to eight credits of lower and/or upper division credit in English and/or History. ENGL 200 and ENGL 400 count toward general studies humanities requirement; HIST 200 and HIST 400 count toward general studies history requirement. For further information, contact Dr. Gregory Dodds, e-mail <gregory.dodds@wallawalla.edu>. Students desiring academic credit should register for two of the following courses:

ENGL 200	Topics: English Literature in Context	4	Beem
ENGL 400	Topics: Literature of the English Reformation	4	Beem
HIST 200A	Topics: English History in Context	4	Dodds
HIST 400A	Topics: Reformation	4	Dodds

Summer Language Institute

Dates: July 13–August 3, 2008 Cost: \$1995 plus airfare
Director: Pat Gustin

The Summer Language Institute (SLI) is a continuing education program offered on the College Place campus for international university students seeking to improve their speaking and listening skills in the United States. It includes 40 hours of in-class English language instruction and 80 hours of field learning enrichment activities. Students stay in local family homes and interact daily with university student guides. A Continuing Education Diploma is awarded to all who complete the program. Academic credit is not offered by Walla Walla University, but a student's home institution may choose to award academic credit for this experience. Further information is available at summer.wallawalla.edu/sli.

Rosario Beach Marine Laboratory

June 24 – August 14

Acceptance

Students planning to enroll at Rosario should submit a Rosario application and fee. Limited facilities at Rosario necessitate restricted enrollments in most classes; consequently, application does not guarantee acceptance. Early submission of application forms and deposit will increase the probability of acceptance. Application forms may be obtained from the Rosario director, c/o Department of Biological Sciences, Walla Walla University, 204 South College Avenue, College Place, WA 99324; (509) 527-2602; <rosario@wallawalla.edu>; or online at rosario.wallawalla.edu.

Tuition

The tuition is \$547 per quarter hour. Students registered for one or two upper-division (400+) courses are charged for 10 quarter hours plus a lab fee of \$1094. Affiliate students pay tuition and lab fees directly to the school in which they are enrolled.

Meals and Housing

All residents of single-student accommodations are charged a flat rate of \$723 for meals for the summer session. Housing charges are as follows:

Single-student accommodations	\$560
Student/family accommodations	\$825

Application Fee

In order to reserve enrollment and housing, a \$40 non-refundable fee is required and due at the time of application.

Insurance

All Rosario students must provide proof of health insurance coverage. Registered, tuition-paying Walla Walla University students are covered by a Student Accident Insurance policy.

Financial Arrangements

Financial arrangements must be made prior to arrival at Rosario. Contact Carolyn Janke, Student Financial Services, Walla Walla University, 204 South College Avenue, College Place, WA 99324, (509) 527-2815 or (800) 656-2815; <stufin@wallawalla.edu>.

Registration and Textbooks

Registration for classes will be held at Rosario on Tuesday, June 24, at 6:00 p.m. Students should arrive on campus June 24. Financial arrangements must be made prior to arrival. Books will be available for purchase at the station. Estimated textbook cost is \$250.

Courses Offered

Upper-division and graduate courses are offered in two blocks. Block A classes meet the first half of each week, and Block B classes meet the last half of each week; thus, students may register for only one course in each block. Students taking General Biology may not register for upper-division or graduate courses.

Block A

BIOL 460	*Marine Ecology (Cowles)
BIOL 417/517	*Behavior of Marine Organisms (Galusha)

Block B

BIOL 426	Systematic Botany (Woodland)
BIOL 440	Human Anatomy (Banks)

Block AB

Course Descriptions

(The following course descriptions are for courses offered in the summer of 2008 but not listed in the 2007-08 online University Bulletin or Graduate Bulletin.)

Education and Psychology

EDUC 474 WORKSHOP: LEGO ROBOTICS CURRICULUM INTEGRATION 1-2
Integration of LEGO Robotics into the classroom. Participants will learn methods of teaching robotics, integration with applicable curriculum, and hands-on use of all tools. One credit for workshop; additional credit available for optional project.

EDUC 500 TOPICS: ADVANCED CLASSROOM TECHNOLOGY TOOLS 2
An advanced course in software and hardware commonly used in schools and classrooms. Prerequisite: EDUC 515 or permission of the instructor.

English

ENGL 200 TOPICS: ENGLISH LITERATURE IN CONTEXT 4
The study of English literature from the medieval period to the nineteenth century. Course material will emphasize the role of place and cultural context on the formation of literary works from Beowulf to the Romantic poets. May be substituted for either ENGL 210 or ENGL 211. Offered as part of UK08 Study Tour.

ENGL 400 TOPICS: LITERATURE OF THE ENGLISH REFORMATION 4
A study of the literature reflecting the historical, religious, and literary contexts of the reformation of the church in England. Prerequisite: one course in literature or permission of the instructor. Offered as part of UK08 Study Tour.

ENGL 574 LITERATURE FOR CHILDREN 3
Study of the literature for children from early childhood through elementary school. Emphasizes literary and artistic quality and appeal to children. Requires reading children's books, reading critical theory, and writing critical analysis.

History

HIST 200 TOPICS: ENGLISH HISTORY IN CONTEXT 4
This general studies course will survey English history from 1066 to 1688 within the broad historical themes of the history of Western Civilization. While based in London, Oxford, and York, students will visit a variety of urban and rural sites, including cathedrals, parish churches, castles, palaces, ancient pathways, and mysterious monuments. English and History majors may substitute this course for HIST 274 or HIST 121. Offered as part of UK08 Study Tour.

HIST 200/400 TOPICS: U. S. MIDDLE EAST POLICY 3
This course will explore the rise and development of Islam; its historic interaction with the West; the emergence of the modern Middle East and the factors contributing to conflict and instability in that region; and the challenge of political Islam in the modern world.

HIST 400 TOPICS: REFORMATION 4
An historical study of the religious changes that took place in sixteenth century Europe. While the course will take place as part of the English and History Study Tour in England, the focus will be on the broader reformation. The course will examine the Lutheran Reformation, the Calvinist Reformation, the Anabaptist Reformation, the Catholic Reformation, and the English Reformation. England will provide the perfect laboratory for investigating these religious developments and conflicts from the time of Wycliffe through the English Civil War. Prerequisite: one course in history or permission of the instructor. Offered as part of UK08 Study Tour.

Social Work and Sociology

SOWK 500 TOPICS: CLINICAL INNOVATIONS IN THE TREATMENT OF TRAUMA 3

A study of the clinical efficacy of "non-talk" therapies, such as guided imagery, therapeutic body work, movement therapy, art therapy, and others, in working with traumatized clients. The class will include lecture, guest practitioners, and student presentations. Includes theories about naturalistic and somatic approaches to the resolution and healing of trauma. Students will be invited to participate in experiential learning of the therapies demonstrated throughout the quarter.

SOWK 500 TOPICS: CLINICAL TREATMENT OF TRAUMA, GRIEF, AND ATTACHMENT 3

Exploration of the universal experiences of trauma, grief, and attachment as concurrent clinical themes rather than divergent concepts. Social work students will seek to understand the world of the client within a holistic environment. Theoretical underpinnings will be discussed, as well as best clinical practices.

Technology

PHTO 400 TOPICS: DIGITAL PHOTOGRAPHY 2

Various practices of shooting quality photography with a digital camera. Digital camera selection and use, processing RAW images, editing images for storing and retrieval, using images in different media and doing digital manipulation. Application of the technique of "seeing" the image before capturing it. Making the proper adjustments for composition, lighting, and camera settings to achieve the desired results. (Course fee: \$45.)

Academic Support Services

Academic Advisement **Canaday Technology Center, Room 310**

The Academic Advisement Office assigns each student an adviser; provides information about academic policy, procedures, resources, class placement, and programs; and monitors students' academic progress. The director of Academic Advisement is also available to assist students with changing majors, course selection, and registration for fall quarter.

Career Center **Kretschmar Hall, Room 217**

The services of the Career Center are designed to assist students with career assessment, exploration, and guidance, as well as career-related work experience. Graduating seniors may receive job search coaching, placement file assistance, and information on graduate and professional school programs.

Disability Support Services **Village Hall, Lower Level**

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans With Disabilities Act of 1990, Disability Support Services provides access to students with either permanent or temporary disabilities through a variety of services and equipment. Students requesting accommodations need to provide appropriate documentation of a disability. The Disability Support Services Office is located in the Teaching Learning Center in the lower level of Village Hall; phone 527-2366 or 527-2313.

Teaching Learning Center **Village Hall, Lower Level**

Special, free, drop-in tutorial help is available in the Teaching Learning Center for all students who wish to improve their basic skills or increase their understanding of content in lower-division classes. Trained upper-division students tutor individuals or small groups. Established tutorial services are available in mathematics, sciences, writing, and other subjects. The Writing Center is open to all students, including graduate students, who wish to learn how to improve or polish their papers.
