# Academic Information

## Admission

Individuals seeking admission to the Walla Walla University Summer Session must give evidence of necessary educational background for success in the courses desired and must apply for admission online or on forms supplied by the Office of Marketing and Enrollment Services. New students wishing regular admission as undergraduate students must supply the Office of Marketing and Enrollment Services with complete official transcripts from high school showing a date of graduation and cumulative grade point average (or satisfactory GED results). New students must also supply official transcripts of all previous collegiate/university-level work completed, a \$40 application fee, and character reference if requested. A physical examination, tuberculosis skin test, and proof of immunization will also be required.

Undergraduate students must meet the requirements for admission to the freshman class or advanced standing as outlined in the online University Bulletin. Graduate students must meet admission requirements as outlined in the Graduate School Bulletin. North Pacific Union Conference K-12 teachers should apply through their conference educational superintendent.

Individuals who are ineligible for regular admission or are not working on a degree may register for any course for which they have sufficient background (non-matriculating). Such students are not eligible for a degree; however, by completing requirements for regular admission they may become degree candidates.

## Registration

Continuing/returning students may register for classes beginning April 27, either online through OASIS or in person at the Academic Records Office. New students, including Smart Start participants, will be given an opportunity to register at academy campuses or by phone (800-558-2132) after April 27. Financial clearance is also required and may be arranged at Student Financial Services after June 8 (see page 8). Online students may register according to the instructions at [wallawalla.edu/academics/distance-learning-d2l](http://wallawalla.edu/academics/distance-learning-d2l) (see page 10).

North Pacific Union Conference K-12 teachers who qualify for conference sponsorship may register online at [summer.wallawalla.edu/k-12](http://summer.wallawalla.edu/k-12) after April 27. Conference authorization will be verified before the registration is processed. Early registration is encouraged.

Any students, including K-12 teachers, who have not completed registration in advance may register during regular office hours on the first day of classes. Registration is not official until all procedures have been completed and financial clearance has been arranged. Students who register for classes but do not obtain financial clearance by the second day of their **first** summer course session will be automatically dropped from **all** summer courses (see page 7).

## Rosario Beach Marine Laboratory Registration

Students planning to enroll at Rosario Beach Marine Laboratory must submit a Rosario application and fee. Registration will be held at Rosario on Tuesday, June 23, at 6:00 p.m. Students should arrive on campus June 23. Financial arrangements must be made prior to arrival. See page 14.

## Veterans Registration

Undergraduate students receiving veterans educational benefits need to register for a full course load of 9-12 credits. Questions regarding enrollment for summer school should be directed to the veterans adviser in the Academic Records Office.

## Late Registration

Students who register after a class or workshop has begun will be charged a late registration fee of \$75. Students may not register for eight-week classes after the first week of the summer term. Students taking short-term courses must be registered and in attendance the first day of classes.

## Course Load

The maximum number of credits for which an undergraduate student may enroll is six credits per four-week session unless an overload is approved by the associate vice president for academic administration. A course load of 9-12 credits is considered a full load for undergraduate students for the eight-week session. Course loads for graduate students vary according to the program of study.

## Withdrawals

Students withdrawing from any or all courses must submit the appropriate official drop voucher to the Academic Records Office before the class(es) are 75 percent over. During Summer Session, withdrawal deadlines vary according to the starting date and duration of each class; the table below lists main session withdrawal deadlines, as well as refund deadlines. A complete schedule of withdrawal deadlines for all sessions is available at the Academic Records Office.

Students who register for classes but do not obtain financial clearance by the financial clearance deadline for their **first** summer course session will be automatically dropped from **all** summer courses (see page 6). The financial clearance deadline is the second day of each course session; see table below for main sessions.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made. Refunds, if applicable, will be based on the date these arrangements are completed, not the date course attendance ended.

Course Session Dates	Financial Clearance Deadline	100% Refund Deadline	75% Refund Deadline	50% Refund Deadline	Withdrawal Deadline
June 22 - August 28	June 23	June 26	July 6	July 17	August 5
June 22 - August 14	June 23	June 25	July 1	July 13	July 31
June 22 - July 17	June 23	June 23	June 25	July 1	July 10
July 20 - August 14	July 21	July 21	July 23	July 29	August 7

# Financial Information

## Tuition

Tuition for the summer quarter is \$568 per quarter hour. All students should plan to pay their tuition at the time of registration. Students who register for classes but do not obtain financial clearance by the second day of their **first** summer course session will be automatically dropped from **all** summer courses.

Fees are charged as published in the online 2008-09 Walla Walla University Financial Bulletin at [wallawalla.edu/academics/bulletins](http://wallawalla.edu/academics/bulletins). Workshops or extended field trips may require payment of special fees. See page 14 for Rosario Beach Marine Laboratory charges. Students applying to the Portland Campus Nursing program should contact the School of Nursing for financial information.

## Tuition – North Pacific Union Conference Teachers

Teachers from within the North Pacific Union Conference of Seventh-day Adventists who are sponsored by their respective employing organizations may present verification of sponsorship in lieu of tuition payment. However, **teachers must pay directly when billed for books and supplies, graduation fees, any miscellaneous class fees, and room rental charges.** Conference sponsorship does not cover classes requiring individualized instruction (aviation, music lessons, etc).

## Tuition Refunds

A student withdrawing from classes during the summer quarter will receive a refund in accordance with the policy in the online Financial Bulletin. A 100 percent refund is given if no more than 10 percent of the class is over, 75 percent if no more than 20 percent of the class is over, and 50 percent if no more than 40 percent of the class is over. Refund deadlines vary according to the length and dates of the class; see page 7 for main session refund dates. A complete schedule of refund dates for all sessions is available at the Academic Records Office.

When a student withdraws during the quarter, no refund will be made until 30 days after the close of the month in which the student withdrew. Students who leave school without completing withdrawal procedures will be charged until proper arrangements are made. Refunds, if applicable, will be based on the date these arrangements are completed, not the date course attendance ended.

## Housing

Foreman Hall (women)—\$89 per week double occupancy; \$114 per week single occupancy  
Sittner Hall (men)—\$85 per week double occupancy; \$110 per week single occupancy  
Hansen Hall (Portland campus)—\$114 per week

## Cafeteria

Vegetarian meals are available at the main campus dining room in Kellogg Hall from 11:30–1:15 weekdays, or as announced. All dormitory students will be charged \$30 per week for five all-you-can-eat noon meals; unused meals will not roll over to a subsequent week. Other students may purchase noon meals for a flat rate of \$6.99 per meal. In addition, take-out items will be available for a la carte purchase on Fridays.

All cafeteria purchases may be charged on student accounts. Meals and food items may also be charged at The Express, a university-operated mini-mart.

## Music Fees

Music lessons can be taken for credit or no credit. When lessons are taken for credit, in addition to the regular tuition charge there is a lesson fee of \$240 per quarter for nine half-hour lessons or \$480 per quarter for nine one-hour lessons. When lessons are not taken for credit, the lesson fee is \$276 per quarter for nine half-hour lessons or \$552 per quarter for nine one-hour lessons. Full-time music majors and minors who have taken MUCT 121-123 are not charged the lesson fee. Smart Start students who include music lessons in their 12-hour load are charged the lesson fee unless they are music majors or minors.

## Insurance

All registered, tuition-paying graduate and undergraduate students attending the College Place, Montana, Portland, or Rosario campuses, and students in the summer work program, are covered by the Student Accident Insurance policy.

If a student has been enrolled in the mandatory student sickness and additional accident insurance during the regular 2008-09 school year, that coverage is in effect through September 1, 2009. All new undergraduate students will be enrolled in this coverage for the summer at a cost of \$319 unless they submit a waiver form verifying comparable coverage to Campus Health and Wellness at registration time.

## Employment (On-campus Student Work Program)

Although Walla Walla University strives to meet each student's needs, work opportunities are limited during the summer months. Students are strongly urged to make arrangements for work **before** arriving on campus because employment is not guaranteed. Employment opportunities may be available in grounds, custodial, dorm housekeeping, plant maintenance, The Express, library, campus offices, and academic departments. Permission to begin working is given only to students who are registered for summer quarter or who have been accepted for fall quarter.

Regulations require that all employees hired present **original** documents that establish both their identity and eligibility to work. All students wishing to work on the Walla Walla University campus are required to present documents **before** they will be authorized to begin work. For more information, contact the Student Employment Office, (509) 527-2357 or (800) 656-2357.

Walla Walla University offers a **SUMMER BONUS** for students who are employed by Walla Walla University. Students who work a minimum of 460 hours at any of the above locations during the summer of 2009 **and** who are registered for at least 12 credits of coursework at the end of the tenth day of fall quarter 2009 will receive a refund of all dormitory room rent charged for the summer, excluding single room charges, or a refund of university housing rent charged for the summer, not to exceed the cost of living in the dormitory.

All students who reside and work on campus during the summer are required to sign either a Summer Worker Agreement or a Summer Bonus Agreement by July 1, 2009, authorizing 40 percent of their earnings to be transferred directly to their student account to cover summer dormitory or university housing rent, cafeteria, tuition, and other charges as they occur. If charges exceed 40 percent of their earnings, students are responsible for paying their account promptly when billed.

## Financial Aid

Students who need assistance for summer quarter may apply for financial aid. Some Walla Walla University grant dollars may be available; some students may also be eligible for a Federal Pell Grant. Loans may be available, such as Federal Stafford loans and institutional loans through Walla Walla University.

Students who wish to be considered for federal grants and loans will want to submit their 2008-09 FAFSA (Free Application for Federal Student Aid) online at [fafsa.ed.gov](http://fafsa.ed.gov) by **April 15, 2009**. The FAFSA must be received by the federal processor by June 30, 2009. **The federal government will not grant exceptions to this deadline.** A student cannot be considered for the Federal Pell Grant, SEOG grant, Perkins Loan, Nursing Loan, or Stafford Loan if this deadline is missed.

A completed Financial Aid file contains:

1. Correct SAR (Student Aid Report). The SAR is generated by the federal processor after a FAFSA is submitted. Students who list Walla Walla University (code 003799) on their FAFSA will have their SAR electronically sent to Walla Walla University by the federal processor. Students who did not list Walla Walla University on their FAFSA will need to contact Student Financial Services.
2. Walla Walla University Financial Aid Application (FAA). This application may be submitted online at [sfs.wallawalla.edu/application](http://sfs.wallawalla.edu/application).
3. Proof of high school completion (final transcript or letter of verification).
4. Additional documentation, if needed, for verification purposes.

Only financial aid that has been awarded by registration time may be deducted from the estimated costs. Students eligible for Federal or Washington State financial aid must be **registered for classes by June 30**. Students who register or add classes after that date cannot receive Federal or State financial aid for those classes.

Students who are on a waiting list or waiting for a letter of acceptance should complete the financial aid application. Awarding of financial aid does not constitute acceptance into Walla Walla University. However, if a student moves off the waiting list at the last moment, it is to the student's advantage to have the financial aid application already completed.

# Online & Hybrid Courses

Students taking online or hybrid courses must have basic computer competency, including use of e-mail and regular Internet access. Information on minimum computer hardware requirements is available at the "Equipment" link on the distance learning website: [wallawalla.edu/academics/distance-learning-d2l](http://wallawalla.edu/academics/distance-learning-d2l).

Tuition for all online and hybrid courses is \$568 per credit hour. Smart Start students pay the Smart Start rate for online courses. Online courses begin on June 22 and end on August 14 unless otherwise indicated. Enrollment minimums and maximums apply.

## Online Registration

Students may register for online or hybrid courses as indicated below:

- Currently enrolled Walla Walla University students register in the usual way through OASIS and must arrange financial clearance by June 23.
- Smart Start students register through the Academic Advisement Office, 800-558-2132 or <[betty.duncan@wallawalla.edu](mailto:betty.duncan@wallawalla.edu)> and must arrange financial clearance by June 23.
- NPUC K-12 teachers register online for all courses, including online or hybrid courses, at [summer.wallawalla.edu/k-12](http://summer.wallawalla.edu/k-12).
- Guest students taking courses for transfer to other institutions (not seeking a degree at Walla Walla University) register by completing a registration form and credit card information online at [wallawalla.edu/academics/distance-learning-d2l](http://wallawalla.edu/academics/distance-learning-d2l).

For further information, see the "How to Register" link at [wallawalla.edu/academics/distance-learning-d2l](http://wallawalla.edu/academics/distance-learning-d2l).

Financial clearance is required for all students. Students who register for classes but do not obtain financial clearance by the second day of their first summer course session will be automatically dropped from all summer courses (see pages 6-7).

## Online General Studies Courses

The following general studies courses are offered in an online format. Students should consult their academic advisers in determining which courses will satisfy their needed requirements. While each of the following courses is applicable to general studies requirements in the area indicated, the specific minimums and maximums within each area must also be observed.

# Smart Start Program

SMART START is open to any undergraduate student who has never before taken a class at Walla Walla University (except as a high school or academy student). A Smart Start student may take courses online and/or on the College Place campus. A student in this program receives a discounted summer tuition rate. In addition, a full-time Smart Start student who also enrolls for a full load fall quarter will receive a rebate of \$500. The rebate is credited to the student's account upon verification of enrollment after the tenth day of fall quarter. (The amount of the rebate is prorated for students who completed fewer than 12 summer credits.) Here's what a Smart Start student saves:

## Smart Start Tuition Savings

	Per Credit	Full Load (12 credits)
Regular tuition rate	\$568	\$6816
Smart Start tuition rate (50 percent)	\$284	\$3408
Additional savings upon fall enrollment	\$41.67	\$500

## Additional Costs

- Deposit (\$25) by June 5
- Dormitory rent (\$85-\$89 per week; Smart Start students are expected to live in the dormitory if their permanent address is outside the Walla Walla Valley.)
- Meals (\$30 per week flat rate for weekday noon meals for dormitory students, plus a la carte weekend purchases, plus charges at The Express; see page 8)
- Textbooks (approximately \$330)
- Health insurance (\$319; waived if proof of other coverage is provided to Campus Health & Wellness)
- Miscellaneous expenses (A few courses have additional fees.)

All tuition, fees, and housing costs are due at registration. Other charges are due when billed. Visa, MasterCard, and Discover are accepted. Some job opportunities are available on campus for students who wish to work (see page 9). A reasonable work load for a summer student taking a full academic load is 8-10 hours per week.

## Application Process

Students interested in the Smart Start program should follow the usual application procedure for admission to Walla Walla University and indicate their interest in the summer Smart Start program on the application. (See page 6 for admission information.) After being accepted to the university, a student may reserve a place in the Smart Start program with a \$25 non-refundable deposit to the Summer Session Office. The reservation and deposit should be mailed or submitted online by June 5, as enrollment is limited. The Summer Session Office will notify the student regarding acceptance into the program.

## Smart Start Checklist

In summary, a Smart Start student must:

- ✓ Have earned zero college-level credit at Walla Walla University (except as a full-time academy or high school student)
- ✓ Meet the Walla Walla University admission requirements and be admitted to the university as a regular online or College Place student
- ✓ Reserve a place in Smart Start with a \$25 non-refundable deposit
- ✓ Pay the tuition, class fees (if any), and housing costs at registration, plus other charges when billed
- ✓ Live in the dormitory while taking courses on the College Place campus, if the student's permanent address is outside the Walla Walla Valley

# Study Tours

The following off-campus courses are available in the summer of 2009. Students interested in tours are encouraged to apply early to the tour director, as enrollments are limited. Financial clearance and registration must be arranged in advance of the tour.

## Shakespeare at Ashland

Dates: August 17–21, 2009

Cost: \$1,200 including tuition

Director: Dr. Ronald Jolliffe, English Department

Students will attend lectures/discussions and performances of four Shakespeare plays at the Oregon Shakespeare Festival. They will do an advance assignment on each play and will turn in a five-page paper within two weeks afterward. Prerequisites: ENGL 234 and ENGL 210, 211, 212, or permission of the instructor. Students must register by June 30 for the following course:

ENGL 360	Shakespeare at Ashland	2	Jolliffe
----------	------------------------	---	----------

## Bible Lands Study Tour

Dates: June 24–July 14, 2009

Cost: \$4,300 plus airfare

Director: Dr. Carl Cosaert

This study tour will commence in Istanbul, Turkey, and continue across Turkey and into Greece, following in the footsteps of the Apostle Paul on his missionary journeys and visiting the Seven Churches of Revelation. Students may earn up to eight credits of lower and/or upper division credit in general studies religion. For further information, contact Dr. Carl Cosaert, e-mail <carl.cosaert@wallawalla.edu>. Students desiring academic credit should register for two of the following courses:

RELB 231	Exploring the New Testament	4	Cosaert
RELB 400	Topics: Revelation	4	Stefanovic
RELB 462	New Testament Letters I	4	Cosaert
RELH 205	Biblical Archaeology	4	Stefanovic

# Rosario Beach Marine Laboratory

## June 23 – August 13

### Acceptance

Students planning to enroll at Rosario Beach Marine Laboratory should submit a Rosario application and fee. Limited facilities at Rosario necessitate restricted enrollments in most classes; consequently, application does not guarantee acceptance. Early submission of application forms and deposit will increase the probability of acceptance. Application forms may be obtained from the Rosario director, c/o Department of Biological Sciences, Walla Walla University, 204 South College Avenue, College Place, WA 99324; (509) 527-2602; <rosario@wallawalla.edu>; or online at [rosario.wallawalla.edu](http://rosario.wallawalla.edu).

### Tuition

The tuition is \$568 per quarter hour. Students registered for one or two upper-division (400+) courses are charged for 10 quarter hours plus a lab fee of \$1136. Affiliate students pay tuition and lab fees directly to the school in which they are enrolled.

### Meals and Housing

All residents of single-student accommodations are charged a flat rate of \$766 for meals for the summer session. Housing charges are as follows:

Single-student accommodations . . . . .	\$585
Student/family accommodations . . . . .	\$855

### Application Fee

In order to reserve enrollment and housing, a \$40 non-refundable fee is required and due at the time of application.

### Insurance

All Rosario students must provide proof of health insurance coverage. Registered, tuition-paying Walla Walla University students are covered by a Student Accident Insurance policy.

### Financial Arrangements

Financial arrangements must be made prior to arrival at Rosario. Contact Carolyn Janke, Student Financial Services, Walla Walla University, 204 South College Avenue, College Place, WA 99324, (509) 527-2815 or (800) 656-2815; <stufin@wallawalla.edu>.

### Registration and Textbooks

Registration for classes will be held at Rosario on Tuesday, June 23, at 6:00 p.m. Students should arrive on campus June 23. Financial arrangements must be made prior to arrival. Books will be available for purchase at the station. Estimated textbook cost is \$250.

### Courses Offered

Upper-division and graduate courses are offered in two blocks. Block A classes meet the first half of each week, and Block B classes meet the last half of each week; thus, students may register for only one course in each block. Students taking General Biology may not register for upper-division or graduate courses.

#### Block A

BIOL 450	Paleobiology (Goodwin)
BIOL 475	*Marine Invertebrates (Cowles)

#### Block B

BIOL 417/517	*Behavior of Marine Organisms (Galusha)

# Course Descriptions

(The following course descriptions are for courses offered in the summer of 2009 but not listed in the 2008-09 online University Bulletin or Graduate Bulletin.)

## Biological Sciences

**BIOL 450 PALEOBIOLOGY** 5  
Study of the biology, diversity, and history of ancient life and of the principles and methods employed in interpreting life of the past. Special consideration will be given to the fossil record of western North America.

## Computer Science

**INFO 474 WORKSHOP: MOODLING IN THE CLASSROOM** 2  
Introduction to Moodle, a powerful open-source course management application that provides flexible modules to shape teaching and learning in the K-12 classroom. Built-in features provide for easy creation and management of content, forums and chats, online quizzes and assignments, journals and wikis, and much more. Course participants will explore Moodle, connect it to teaching needs, and design a learning sequence. This course is recommended for any current or future teacher.

## Health and Physical Education

**PEAC 200 TOPICS: DISC GOLF** 1  
An activity course designed to introduce the student to the exciting world of disc golf. Teaches the skills and rules of the sport. Uses existing disc golf courses at Rogers Adventist School and Fort Walla Walla Park.

## Technology

**PHTO 400 TOPICS: DIGITAL PHOTOGRAPHY FOR EDUCATORS** 2  
Various practices of shooting quality photography with a digital camera. Digital camera selection and use, processing RAW images, editing images for storing and retrieval, using images in different media and doing digital manipulation. Application of the technique of "seeing" the image before capturing it. Making the proper adjustments for composition, lighting, and camera settings to achieve the desired results. (Course fee: \$55.)

## Theology

**RELH 400 TOPICS: REVELATION** 4  
A contextual study of the Book of Revelation done as part of a tour of the original sites of the seven churches of Revelation in Turkey. Offered as part of Bible Lands Study Tour.

## Academic Support Services

**Academic Advisement** ..... **Canaday Technology Center, Room 310**

The Academic Advisement Office assigns each student an adviser; provides information about academic policy, procedures, resources, class placement, and programs; and monitors students' academic progress. The director of Academic Advisement is also available to assist students with changing majors, course selection, and registration for summer and fall quarters.

**Career Center** ..... **Kretschmar Hall, Room 217**

The services of the Career Center are designed to assist students with career assessment, exploration, and guidance, as well as career-related work experience. Graduating seniors may receive job search coaching, placement file assistance, and information on graduate and professional school programs.

**Disability Support Services** ..... **Village Hall, Lower Level**

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans With Disabilities Act of 1990, Disability Support Services provides access to students with either permanent or temporary disabilities through a variety of services and equipment. Students requesting accommodations need to provide appropriate documentation of a disability. The Disability Support Services Office is located in the Teaching Learning Center in the lower level of Village Hall; phone 527-2366 or 527-2313.

**Teaching Learning Center** ..... **Village Hall, Lower Level**

Special, free, drop-in tutorial help is available in the Teaching Learning Center for all students who wish to improve their basic skills or increase their understanding of content in lower-division classes. Trained upper-division students tutor individuals or small groups. Established tutorial services are available in mathematics, sciences, writing, and other subjects. The Writing Center is open to all students, including graduate students, who wish to learn how to improve or polish their papers.
