Financial Aid: Students in need of assistance with their educational expenses may apply for financial aid. Students who have not yet received a bachelor's degree will be considered for Federal grant assistance. All students will be considered for the Federal Direct Loans (up to \$5,500 Subsidized and \$2,000 Unsubsidized) and WWU grants (up to \$15,000). Nursing Loans are awarded (up to \$8,237) to eligible students. Independent students may also borrow (up to \$5,000) in additional Unsubsidized Direct Loans.

Financial Aid Process: The 2024-25 Free Application for Federal Student Aid (FAFSA) should be submitted no later than two months prior to registration. The FAFSA is online at www.studentaid.gov. Walla Walla University's Undergraduate Financial Aid Application (FAA) should be completed on-line at sfs.wallawalla.edu/financial-forms. The Federal Government selects 30% of the applications for a verification process. If you are selected, you will be notified and be required to complete a verification statement and possibly other documents. (Dependent students may also be required to verify their parents' tax information using the IRS Data Retrieval Tool on FAFSA and submit other documents).

Financial Aid Deadlines: All forms should be at the Walla Walla University Student Financial Services Office no later than one month before registration in order for financial aid to be awarded by registration time. Only aid that has already been awarded by registration time may be deducted from the estimated costs. Students who submit applications, corrections, or other required information less than 2 weeks before the start of classes may encounter delays at registration unless they can cover the quarter's expenses without financial aid assistance. Several aid programs have an April 30 deadline, prior to fall quarter.

Payment Plans:

1. Regular Payment Plan: Payment in full (plus any previous balance) will be due by 4 pm the Wednesday before the first day of classes.
2. Monthly Payment Plan: The quarter's expenses, less any awarded financial aid, are divided into three equal payments. The first payment, plus any previous balance, is due by 4 pm the Wednesday before the first day of classes. The second and third payments are due the following months on the 25th of each month. Finance charges will accrue on the unpaid balance. This payment plan is available only for US and Canadian residents. All other students must use the Regular Payment Plan.

Files: Please note that all Admissions and Financial Aid Files (for Portland Campus students) are kept on the main campus in College Place, WA.
